Dear Parents/Carers

**Re: Blue Badge Consultation**

Could you **PLEASE** take 5 minutes to complete this survey?

<https://www.gov.uk/government/consultations/blue-badge-disabled-parking-scheme-eligibility-review>

"The government believes that the Blue Badge scheme should not discriminate in principle between physical and non-physical disabilities. The current rules embrace all conditions, physical or otherwise, but it has become clear to us that the regulations and guidance are not clearly understood by local authorities. People with hidden disabilities may be finding it difficult to access badges, even though their condition causes them very significant difficulties when undertaking a journey."

Please scroll down the screen when you have clicked on the link and you will find another link to respond online. If you could take the time to complete this survey it would be really helpful.

Yours faithfully
