The Virgin London Marathon

This year I am running the Virgin London Marathon supporting the **National Autistic Society**. NAS is the UK's leading charity for autistic people and their families. Their goal is to help transform lives, change attitudes and create a society that works for autistic people.

So I would like to help by running 26.2 miles. I feel like I owe it to our students and all those dealing with or impacted by autism to help spread the word and raise money.

If you would like to donate and help me raise £1900, please visit my fundraising page on the school website.

If you would like to pay in cash, please send the money in the envelope to the school office with a heading Zuzanna#TeamAutism.

Your help is much appreciated.
