

# Springhallow Outreach Training

## 828 candidates attended training in 2018/19

#### Recent training comments:

**“I have attended several courses at this school and have found them to be insightful and beneficial to my work with children with ASC”** AET EY T2

**“Excellent training to raise awareness”** AET EY T1

**“I’ve come away today with a better understanding of autism”** Understanding pupils on the autism spectrum in your setting

**“The training was very informative and I’ve learnt more about autism which I can now relate to the pupil I work with”** Understanding pupils on the autism spectrum in your setting

**“Clear training of good length for range of trainees (TAs) and free!”** Understanding pupils on the autism spectrum in your setting

**“It’s always a pleasure to sit through training session with Dawn”** Social Stories™

**“Thanks for the wonderful session and being available to ask for advice that is personalised”** Understanding & Managing Behaviour for pupils with autism

**“Working closely with a consultant from Springhallow Outreach I have put a lot of things in place to help the child I work with”** Understanding & Managing Behaviour for pupils with autism

**“Enthusiastic facilitators and mix of listening & interacting. Lot of useful strategies to try out”** AET EY T2

**“Much more interesting and useful than I had expected, so glad I attended this session”** Transition (Primary to Secondary)

**“Helpful advice - I will introduce buddy system as suggested”** AET Post 16 T2

## **Outreach Service Comments:**

*“Thanks for the great advice. The team are doing brilliantly and E has come on leaps and bounds since my referral. That is all down to your amazing advice and support and trying things out you have previously suggested. Many, many thanks”*

**“Your advice was so helpful. We used the strategies today and there was an immediate difference with the pupil! His mum also said she is very happy”**

*“Very helpful service. Lots of strategies and advice that I can use with many children as well as the pupil referred. Looking forward to welcoming Springhallow outreach adviser back to us”*

**“We were happy with the quick response time and good advice given”**

*“I was very pleased with the visit as the recommendations were realistic and manageable”*

**“The service was excellent. The outreach adviser was exceptional in her knowledge, support and modelling of strategies. Without outreach support we struggled to include the pupil meaningfully”**

*“Since the visit L is more involved and is now participating more with children in the class”*
